

The Digital Dentistry Society Global Congress

Largest International Scientific Conference in Digital Dentistry

November 4th – 6th, 2021

Villa Erba Congress Center, Cernobbio, Lake Como (Italy)

Does Digital Dentistry help prevent and solve clinical problems?

Experts in **Digital Technologies** will discuss all the aspects with particular attention to the daily practice.

Poster Session Oral Presentation focused on two main areas: **Basic Research** and **Clinical Applications**. The best **three posters** for each area **will be awarded**. All abstracts will be published in **Elsevier's Journal of Dentistry**, the official journal of the DDS with IF of 3.4.
